Comments:

10/25/2005 - Sent letter that file is closed and retired. Site inspection on 6/10/05 determined the site is satisfactorily reclaimed and can be released. Release findings document attached. Release findings document prepared.

9/21/2005 - Please list Bacon Rock as inspect. They didn't request it, but the site has been reclaimed and meets release criteria. They continued to pay permit fees for three years after reclamation, but the site's now ready. I just need to take the time to put together findings.

8/26/2005 - Sent 2nd notice that permit fee not paid. Mining suspended until fee paid. If not paid by 9/6/05 NOV will be issued which will carry a fine and penalty. Continuing activities before the fee is paid will result in a Cessation Order which carries a separate fine and penalty.
